BOARD OF PUBLIC WORKS

RESOLUTION NUMBER 81-306-95

RESOLUTION APPROVING THE CONDEMNATION OF REAL ESTATE
(THREE RIVERS AMBULANCE AUTHORITY)

Whereas, the Fort Wayne Board of Public Works has adopted Resolution 93-9-S-1 on July 13, 1994, identifying four parcels of real estate (Real Estate) for acquisition by eminent domain for purposes of erecting a building to be leased to Three Rivers Ambulance Authority (TRAA); said acquisition is necessitated by the relocation of the existing TRAA facility at 333 South Clinton Street brought about by the Headwaters Park Project; and

Whereas, the Fort Wayne Common Council subsequently adopted Special Resolution S-74-94 on September 27, 1994, ratifying, confirming and approving Board of Works Resolution 93-9-S-1; and

Whereas, the Common Council, also on September 27, 1994, adopted Resolution R-59-94 designating TRAA as the City's purchasing agent to acquire through private negotiations the portion of the building site not identified for acquisition by eminent domain; and

Whereas, pursuant to the adoption of said Resolution 93-9-S-1, and the approval of said Resolution by Council, the Board of Works on March 15, 1995 approved an Intergovernmental Agreement with the Fort Wayne Redevelopment Commission, employing the Commission as the Board's agent in the acquisition of the Real Estate; and

Whereas, the Redevelopment Commission subsequently adopted Resolution 95-17 approving the Intergovernmental Agreement with the Board of Works; and

Whereas, TRAA has informed the City that it will be necessary to acquire additional parcels of real estate through eminent domain due either to the failure of private negotiations or to defects in title which may not be resolved without causing significant delay to the project; and

Whereas, said additional parcels of real estate are identified as follows:

- a. The East $\frac{1}{2}$ of Lot Number 96 in Lewis Addition to the City of Fort Wayne, Allen County, Indiana, according to the recorded plat thereof, more commonly known as 530 East Brackenridge Street (Parcel No. 5).
- b. The North 35.8 feet of the South 76.6 feet of Lots 101 & 102 in Lewis Addition to the City of Fort Wayne, Indiana, more commonly known as 1427 Clay Street (Key No. 91-3286-0207, Parcel No. 6)

ALSO:

The South 40 $\frac{5}{6}$ feet of the West 55 Lot 101 in Lewis Addition to the City of Fort Wayne, Indiana, more commonly known as 1431 Clay Street (Key No. 91-3286-0210, Parcel No. 7).

NOW, THEREFORE, BE IT RESOLVED BY THE FORT WAYNE BOARD OF PUBLIC WORKS that:

The Board of Works finds the acquisition of the real estate identified herein to be in the public interest.

BE IT FURTHER RESOLVED that the maximum offering price for each of the parcels shall be the average of two appraisals; and

BE IT FURTHER RESOLVED that relocation procedures and payments in accordance with the Indiana Code be offered to the occupants of the real estate; and

Resolved this 17th day of May, 1995.

Fort Wayne Redevelopment Commission

TO: Members of City of Fort Wayne Common Council

FROM: Ronald R. Fletcher, Executive Director *R.F.*

DATE: May 23, 1995

SUBJECT: Acquisition of the Real Estate for the new Three Rivers Ambulance Authority Building

BACKGROUND

Q-95-05-17

The Three Rivers Ambulance Authority (TRAA) will have to move its present facility, a City-owned property at 333 South Clinton Street, to make way for Phase III of the Headwaters Flood Control and Park Project. TRAA has been authorized by the City Council to acquire the real estate for its new building through private negotiations. However, in cases where private negotiations fail, City Council has authorized the Board of Works to acquire the real estate, through its agent, the Fort Wayne Redevelopment Commission, by the power of eminent domain. Four properties have been so identified, and it appears that three of those four will indeed have to be condemned.

TRAA has informed the Board of Works and the Redevelopment Commission that it has been unsuccessful in negotiating a private settlement with two additional property owners, and has requested the City to acquire real estate through eminent domain.

TRAA expects to bid the construction of its new building sometime in June, and anticipates construction to begin in July or August.

HIGHLIGHTS OF THE PROPOSED ORDINANCE

The proposed resolution approves, ratifies, and confirms the Board of Works resolution which approves the acquisition two additional properties through the power of eminent domain.

RECOMMENDATION

I recommend that Council adopt the attached resolution. Land assembly for the new TRAA building must proceed rapidly if TRAA is to meet its construction timetable.
